“Now is not the time to split your focus. You all are needed here right NOW at this time, in this moment in Universal ‘Time’, to fight for the Light to manifest. Souls/Children pray for all people on Earth, throughout the galaxies, the Omniverse and PRAISE CREATOR. We hear your prayers and know a soul’s intent, true love, devotion for Creator and helping others. Transcendence comes for a soul at the right time when heart, soul, forgiveness and impassioned love for ALL life everywhere, along with the Glory of Creator merge and engulf the soul. Love, bliss and the Glory of Creator fills a soul and transformation occurs. Therefore, stay true to yourself and know I Am with you always. My Love is for ALL My children. When I Am in your hearts and minds and your love is true to Creator, I Am with you and protect you. I love you unceasingly.” ~ Sananda
